OUR PRINCIPLES

INDEPENDENCE

SAMA is a closely held, independent organization that bases its code of conduct on the traditional values.

MUTUAL TRUST

In setting our aims and ambitions for the future, the managing team at SAMA believes that mutual trust must exist between our clients staff and partners to ensure success. It is with this concept that the people at the helm feel assured of having established stable, sound foundation for the future.

EQUALITY

To achieve its ambitions, the Company has determined that equality in all respects must prevail throughout the company so that staff, our most important asset, can act freely with confidence in their own ability.

RESPONSIBILITY

The purpose of our group is for planned, sustained growth within the accepted parameters of ethical business resulting in a long-term relationship with our clients and the well being of our staff and partner.

OUR values

CUSTOMER FOCUS

We try to meet and exceed customers demands by delivering what we promise.

HONESTY AND INTEGRITY

Honesty and integrity together form the foundation our trust. The success of our organization stems from the open and honest approach of our people.

TRUST

Trust in our company is built by people sharing a common purpose and culture and basing their priorities on the needs of our clients and the business itself.

KNOWLEDGE-SHARING CULTURE

We focus on companywide knowledge-sharing platforms, consisting of a wide range of information-exchange tools and techniques thus trying to create a truly knowledge-sharing corporate culture.

COLLABORATIVE TEAMWORK

Collaborative teamwork is more than ever becoming the most strategic capability for any firm and is one of our company's mantras for business success.

COMMITMENT TO EXCELLENCE

Commitment to excellence is built when we are trusted and are able to trust our colleagues in every minor detail.

CUSTOM CLEARANCE

We're a leading Customs Clearing Agent (or Customs Broker) offering a wide variety of services to help our clients facilitate their Import and Export cargo operations. We stay up-to-date on Customs regulations and procedures, enabling us to handle the clearance of consignments by Sea, Air, and Land with maximum efficiency. We can clear all types of shipments, major or minor, ensuring the utmost satisfaction for all clients. This capability is due to our many years of experience and wide exposure in this field. Our personnel are well-versed in the challenging needs and changing demands of today's business environment. They deal with your day-to-day problems and formalities involved in the timely clearance of your import and export cargo. Our team's dedicated professionals manage the customs clearance process and ensure an end-to-end solution for all your goods in the most cost-effective manner. We're committed to achieving on-time delivery and client satisfaction.

Key Features

Committed to achieving timely delivery and client satisfaction.

Highly efficient working procedures.

Experience in handling different commodities (or Experience in handling diverse cargo).

Customer-centric policy and a proactive approach (or action-oriented approach).

Complete documentation management.

Fully enabled system (or System-enabled processes / Digitally-enabled services).

LAND TRANSPORT

SAMA Shipping & Logistics Ltd. operates with a fleet of modern trailers, many specially designed to carry heavy-weight 40-foot containers. We specialize in the movement of loaded containers from the docks directly to the importer's door, ensuring complete documentation and a high level of perfection.

We emphasize long-term contracts with Shippers and Importers and excel at serving consignments that require time-definite delivery. Our dedication to timely execution and professional approach has helped us develop a good rapport with our customers, who are kept satisfied with a perfect information flow through our qualified Customer Service and Operations department.

Over our years of transport experience, we have become one of the most dependable and efficient transport service providers in Libya. We take pride in saying that we can handle all complex situations in the transport sector from any gate at any port across Libya.

WAREHOUSE & DISTRIBUTION

Warehousing and Distribution is a key component of any supply chain and logistics system for companies seeking a cost-effective method of distributing their large range of products.

Our group and associate companies operate their own container freight stations at various locations for cargo consolidation, packing, and shipping. At these locations, there are advanced warehousing and distribution hubs available for both corporate and general clients.

We offer comprehensive delivery services ranging from secure storage, inventory control, and the ability to pick and pack a variety of commodities for direct delivery to the customer's doorstep.

I will correct and format this list of Key Features, which appears to be a list of logistics and supply chain services.

Here is the corrected and refined list:

Key Features (Logistics Services)

3PL/4PL (Third-Party / Fourth-Party Logistics)

Cross-Stuffing (or Cross-Docking)

Supply Chain Management

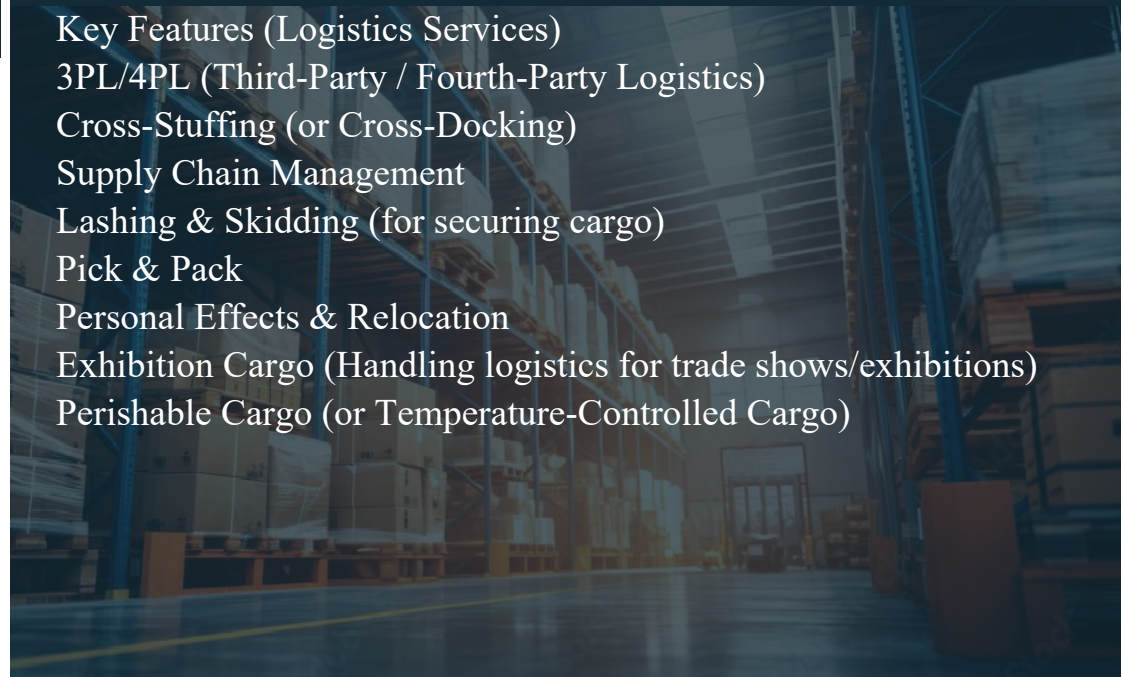

Lashing & Skidding (for securing cargo)

Pick & Pack

Personal Effects & Relocation

Exhibition Cargo (Handling logistics for trade shows/exhibitions)
